

Welcome to Reception
at
Howley Grange Primary School

Hello again,

We hope that you are now becoming familiar with those of us who will be teaching and working alongside you next year.

We thought you might also like to see your new school...

...so, let's show you around...

This is the outside of your
new school (from the front)...

Howley Grange Primary School

...we are so lucky to have a
pond on our grounds; we visit
here sometimes. We
especially like to visit when
there are ducklings. We like
to count them and try to
spot the ones that are
hiding!

One of the first rules we
learn is that we mustn't
cross the white line around
the edge of the pond-this is
to keep us safe!

This is the hall in our school...it is where you and your friends will eat your lunch everyday, whether that be a hot dinner from our kitchen or a packed lunch that you bring in from home.

This will also be where you have PE, once a week with your class teacher and a second time each week, with Stuart (below) in the Autumn term.

Stuart How-Sports coach, Your Sport.

This is the Early Years playground that Reception share with Years 1 and 2, this is where you will play with all of your friends at playtimes and lunchtimes.

This is the door into Reception. It is situated on the Early Years playground. This is where you will be greeted by your teachers every morning; where you will line up after every playtime and lunchtime and where we will say goodbye each afternoon before dismissing you to a familiar adult.

Mrs Allen

Miss Savage

Miss Williams

These are pictures taken of your indoor classroom. We have different role play areas as well as a creative area, where you can junk model or paint pictures. We have a writing area and reading nooks/areas full of lovely books. We also have places to learn numbers and also places to build and construct. You will definitely enjoy playing here!

These are pictures of your outdoor classroom.
Just like inside, we have places to build and construct; we have a stage for performing; our very own hobbit house; a water area as well as a mud kitchen...that is just to name a few of the fun areas you can explore outside.

This is the cooking area
in our school, it is just
outside our classroom.

This is where we will
prepare and cook lots of
yummy things, often
linked to our topics.

We enjoy using the
utensils, but we
especially enjoy tasting
our creations!

This is Miss Lewis and Mrs Trueman-Brown's office. Miss Lewis is your Headteacher and Mrs Trueman-Brown is your Deputy Headteacher. Both are looking forward to meeting you again soon.

When you do super work or something really special in school, you might go here, to their office, as they love to celebrate your achievements. When you go here, you might even get a special sticker!

Miss Lewis

Mrs Trueman-Brown

Miss Bennett

This is the main office.
You may be given a job to
take something here with a
friend. Or if you bump
yourself or feel poorly, we
may take you here to be
looked after by our lovely
office team...Miss Bennett,
Mrs Clifton and Mrs Peacock.

Mrs Clifton

Mrs Peacock

Our school seems really big when you first start here but with the help of adults and older children in school, you will soon get used to it.

We can't wait for you to be here-your new school awaits!

See you soon,
The Reception Team.
