Music

Achieve Believe Care

At Howley Grange we strive to ensure that our curriculum enables all children to gain the wisdom and courage to make positive choices now, and in their futures.

Howley Grange is committed to providing children with an ambitious curriculum that is broad and balanced. We recognise the upmost importance of ensuring children gain fundamental literacy and numeracy skills and that they have opportunities to develop their individual interests and specialisms in a wide variety of subjects.

Staff plan key questions to encourage the use of enquiry, as well as focus on the acquisition and application of key subject knowledge, concepts and vocabulary throughout our school. Our curriculum is designed to help learners to remember the content they are taught in the long term and to integrate new knowledge into larger concepts. Parents, staff and most importantly our children tell us that they enjoy their learning and are eager to find out about the topics and themes, often choosing to take their learning beyond the classroom.

Purpose of Study

Music is a universal language that embodies one of the highest forms of creativity. A high-quality music education should engage and inspire pupils to develop a love of music and their talent as musicians, and so increase their self-confidence, creativity and sense of achievement. As pupils progress, they should develop a critical engagement with music, allowing them to compose, and to listen with discrimination to the best in the musical canon.

Aims

The national curriculum for music aims to ensure that all pupils:

- perform, listen to, review and evaluate music across a range of historical periods, genres, styles and traditions, including the works of the great composers and musicians
- learn to sing and to use their voices, to create and compose music on their own and with others, have the opportunity to learn a musical instrument, use technology appropriately and have the opportunity to progress to the next level of musical excellence
- understand and explore how music is created, produced and communicated, including through the inter-related dimensions: pitch, duration, dynamics, tempo, timbre, texture, structure and appropriate musical notations.

Attainment Targets

By the end of each key stage, pupils are expected to know, apply and understand the matters, skills and processes specified in the relevant programme of study.

Key Stage One: Coverage

Pupils should be taught to:

- use their voices expressively and creatively by singing songs and speaking chants and rhymes
- play tuned and untuned instruments musically
- listen with concentration and understanding to a range of high-quality live and recorded music
- experiment with, create, select and combine sounds using the inter-related dimensions of music.

Key Stage Two: Coverage

Pupils should be taught to sing and play musically with increasing confidence and control. They should develop an understanding of musical composition, organising and manipulating ideas within musical structures and reproducing sounds from aural memory.

Pupils should be taught to:

- play and perform in solo and ensemble contexts, using their voices and playing musical instruments with increasing accuracy, fluency, control and expression
- improvise and compose music for a range of purposes using the inter-related dimensions of music
- listen with attention to detail and recall sounds with increasing aural memory
- use and understand staff and other musical notations
- appreciate and understand a wide range of high-quality live and recorded music drawn from different traditions and from great composers and musicians
- develop an understanding of the history of music.

EYFS

The EYFS framework is structured differently to the National Curriculum as it is organised into seven areas of learning rather than subject areas, having said this, the skills taught in EYFS feed into National Curriculum subjects.

This table outlines the most relevant statements taken from the EYFS statutory framework and Development Matters. These are the prerequisite knowledge and skills for Music within the National Curriculum.

The most relevant statements for music are taken from the following areas of learning: 'Communication and Language' and 'Expressive Arts and Design'. These are planned for and delivered through discrete 'Expressive Arts and Design' teaching sessions but are also incorporated into 'Choosing to Learn time'.

Reception	Communication and Language	 Sing a large repertoire of songs. Listen carefully to rhymes and songs, paying attention to how they sound. Learn rhymes, poems and songs.
	Expressive Arts and Design	 Sing the melodic shape (moving melody, such as up and down, down and up) of familiar songs. Create their own songs, or improvise a song around one they know. Play instruments with increasing control to express their feelings and ideas. Explore, use and refine a variety of artistic effects to express their ideas and feelings. Return to and build on their previous learning, refining ideas and developing their ability to represent them. Create collaboratively, sharing ideas, resources and skills. Listen attentively, move to and talk about music, expressing their feelings and responses. Sing in a group or on their own, increasingly matching the pitch and following the melody. Explore and engage in music making and dance, performing solo or in groups.
ELG	Expressive Arts and Design-Being Imaginative and Expressive	 Sing a range of well-known nursery rhymes and songs. Perform songs, rhymes, poems and stories with others, and (when appropriate) try to move in time with music.

Key Stage One: Progression of Knowledge and Skills

	Year 1	Year 2
Musicianship: Understanding Music	Use body percussion, instruments and voices. In the key centres of: C major, F major, G major and A minor. Find and keep a steady beat together. Understand the difference between creating a rhythm pattern and a pitch pattern. Copy back simple rhythmic patterns using long and short. Copy back simple melodic patterns using high and low. Complete vocal warm-ups with a copy back option to use Solfa.	Use body percussion, instruments and voices. In the key centres of: C major, G major and A minor. Find and keep a steady beat. Copy back simple rhythmic patterns using long and short. Copy back simple melodic patterns using high and low. Complete vocal warm-ups with a copy back option to use Solfa. Sing short phrases independently.
Listening: Respond/Analyse	Move and dance with the music. Find the steady beat. Talk about feelings created by the music. Recognise some band and orchestral instruments. Describe tempo as fast or slow. Describe dynamics as loud and quiet. Join in sections of the song, eg chorus. Begin to understand where the music fits in the world. Begin to understand about different styles of music	Mark the beat of a listening piece (eg Boléro by Ravel) by tapping or clapping and recognising tempo, as well as changes in tempo. Walk in time to the beat of a piece of music. Identify the beat groupings in the music you sing and listen, eg 2-time, 3-time etc. Move and dance with the music confidently. Talk about how the music makes you feel. Find different steady beats. Describe tempo as fast or slow. Describe dynamics as loud or quiet. Join in sections of the song, eg call and response. Start to talk about the style of a piece of music. Recognise some band and orchestral instruments. Start to talk about where music might fit into the world.
Singing	Sing, rap, rhyme, chant and use spoken word. Demonstrate good singing posture. Sing songs from memory. Copy back intervals of an octave and fifth (high, low). Sing in unison.	Sing as part of a choir. Demonstrate good singing posture. Sing songs from memory and/or from notation. Sing to communicate the meaning of the words. Sing in unison and sometimes in parts, and with more pitching accuracy. Understand and follow the leader or conductor. Add actions to a song. Move confidently to a steady beat. Talk about feelings created by the music/song. Recognise some band and orchestral instruments. Describe tempo as fast or slow. Join in sections of the song, eg chorus. Begin to understand where the music fits in the world. Begin to talk about and understand the style of the music.

		Know the meaning of dynamics (loud/quiet) and tempo (fast/slow), and be able to demonstrate these when singing by responding to (a) the leader's directions and (b) visual symbols (eg crescendo, decrescendo, pause).
Notation	Explore ways of representing high and low sounds, and long and short sounds, using symbols and any appropriate means of notation. If appropriate: explore standard notation, using crotchets, quavers and minims, and simple combinations of: C, D, E, F, G F, G, A G, B, D D, E, F\(^\sharp\), G, A D, A, C	Explore ways of representing high and low sounds, and long and short sounds, using symbols and any appropriate means of notation. Playing Instruments	Rehearse and learn to play a simple melodic instrumental part by ear or from simple notation, in C major, F major, D major and D minor.	Rehearse and learn to play a simple melodic instrumental part by ear or from notation, in C major, F major and G major. Playing the recorder: Rehearse and learn a simple instrumental part by ear or from notation, using the notes G, A, B, Bb, C, E and F.
Creating: Improvising	Explore improvisation within a major and minor scale using the notes: C, D, E D, E, A F, G, A D, F, G Improvise simple vocal patterns using 'Question and Answer' phrases. Understand the difference between creating a rhythm pattern and a pitch pattern.	Explore improvisation within a major scale using the notes: C, D, E C, G, A G, A, B F, G, A Work with a partner and in the class to improvise simple 'Question and Answer' phrases, to be sung and played on untuned percussion, creating a musical conversation.
Creating: Composing	Explore and create graphic scores: Create musical sound effects and short sequences of sounds in response to music and video stimulus. Create a story, choosing and playing classroom instruments and/or soundmakers. Recognise how graphic notation can represent created sounds. Explore and invent your own symbols. Use music technology, if available, to capture, change and combine sounds. Use simple notation if appropriate: Create a simple melody using crotchets and minims:	Explore and create graphic scores: Create musical sound effects and short sequences of sounds in response to music and video stimulus. Use graphic symbols, dot notation and stick notation, as appropriate, to keep a record of composed pieces. Create a story, choosing and playing classroom instruments. Create and perform your own rhythm patterns with stick notation, including crotchets, quavers and minims. Use music technology, if available, to capture, change and combine sounds. Use notation if appropriate: Create a simple melody using crotchets and minims:
Performing	Enjoy and have fun performing. Choose a song/songs to perform to a well-known audience. Prepare a song to perform. Communicate the meaning of the song.	Practise, rehearse and share a song that has been learned in the lesson, from memory or with notation, and with confidence.

Add actions to the song.
Play some simple instrumental parts.

Decide on any actions, instrumental parts/improvisatory ideas/composed passages to be practised and included in the performance.

Talk about what the song means and why it was chosen to share.

Talk about the difference between rehearsing a song and performing it.

Key Stage Two: Middle Years Progression of Knowledge and Skills

	Year 3	Year 4
Musicianship: Understanding Music	Use body percussion, instruments and voices. In the key centres of: C major, F major, G major and A minor. In the time signatures of: 2/4, 3/4 and 4/4. Find and keep a steady beat. Copy back and improvise simple rhythmic patterns using minims, crotchets, quavers and their rests. Copy back and improvise simple melodic patterns using the notes: C, D, E G, A, B F, G, A A, B, C	During the year the children will be having whole class instrumental tuition on the Ukulele and Cornet, taught by specialist teachers from Dudley Performing Arts. Children will be taught about the musical elements (pitch, rhythm,
Listening: Respond/Analyse	Share your thoughts and feelings about the music together. Find the beat or groove of the music. Walk, move or clap a steady beat with others, changing the speed of the beat as the tempo of the music changes. Invent different actions to move in time with the music. Talk about what the song or piece of music means. Identify some instruments you can hear playing. Identify if it's a male or female voice singing the song. Talk about the style of the music.	melody, timbre, dynamics, duration and timbre) through the course of learning their instruments and will read musical notation. Children will be assessed according to their progress and ability on their instruments.
Singing	Sing as part of a choir. Sing a widening range of unison songs, of varying styles and structures. Demonstrate good singing posture. Perform actions confidently and in time to a range of action songs. Sing songs from memory and/or from notation. Sing with awareness of following the beat. Sing with attention to clear diction. Sing expressively, with attention to the meaning of the words. Sing in unison. Understand and follow the leader or conductor. Copy back simple melodic phrases using the voice.	
Notation	Explore ways of representing high and low sounds, and long and short sounds, using symbols and any appropriate means of notation. Explore standard notation, using minims, semibreves, dotted crotchets, crotchets, quavers and semiquavers, and simple combinations of: C, D, E, F, G, A, B	

	F, G, A, Bb, C
	G, A, B, C, D, E
	E, F♯, G♯, A, B
	Read and respond to semibreves, minims, crotchets and paired quavers.
	Identify:
	• Stave
	Treble clef
	Time signature
	Lines and spaces on the stave
	Identify and understand the differences between crotchets and paired quavers.
	Apply spoken word to rhythms, understanding how to link each syllable to one musical note.
Playing Instruments	Rehearse and learn to play a simple melodic instrumental part by ear or from notation, in C major, F major, G
	major and E major.
	Develop facility in playing tuned percussion or a melodic instrument, such as a violin or recorder.
Creating: Improvising	Explore improvisation within a major scale using the notes:
	C, D, E
	C, D, E, F, G
	C, D, E, G, A
	G, A, B
	G, A, B, D, E
	G, A, B, C, D
	F, G, A
	F, G, A, C, D
	Become more skilled in improvising (using voices, tuned and untuned percussion, and instruments played in
	whole-class/group/individual/instrumental teaching), inventing short 'on-the-spot' responses using a limited
	note-range.
	Compose over a simple groove.
	Compose over a drone.
	Structure musical ideas (eg using echo or 'Question and Answer' phrases) to create music that has a beginning,
	middle and end.
Creating: Composing	Create music and/or sound effects in response to music and video stimulus.
	Use music technology, if available, to capture, change and combine sounds.
	Compose over a simple chord progression.
	Compose over a simple groove.
	Compose over a drone.
	Start to use simple structures within compositions, eg introduction, verse, chorus or AB form.
	Use simple dynamics.
	Compose song accompaniments on tuned and untuned percussion, using known rhythms and
	note values.
	Create a simple melody using crotchets, minims and perhaps paired quavers:

Performing	Practise, rehearse and share a song that has been learned in the lesson, from memory or with notation, and	
	with confidence.	
	Play and perform melodies following staff notation, using a small range, as a whole class or in small groups.	
	Include any actions, instrumental parts/improvisatory ideas/composed passages within the rehearsal and in the	
	performance.	
	Talk about what the song means and why it was chosen to share.	
	Reflect on feelings about sharing and performing, eg excitement, nerves, enjoyment.	

Key Stage Two: Upper Years Progression of Knowledge and Skills

	Year 5	Year 6
Musicianship: Understanding Music	Use body percussion, instruments and voices. In the key centres of: C major, G major, D major, F major and A minor. In the time signatures of: 2/4, 3/4, 4/4, 5/4 and 6/8. Find and keep a steady beat. Listen and copy rhythmic patterns made of dotted minims, minims, dotted crotchets, crotchets, dotted quavers, triplet quavers, quavers, semiquavers and their rests, by ear or from notation. Listening: Respond/Analyse	Talk about feelings created by the music. Justify a personal opinion with reference to Musical Elements. Find and demonstrate the steady beat. Identify 2/4, 3/4, 6/8 and 5/4 metre. Identify the musical style of a song or piece of music. Identify instruments by ear and through a range of media. Discuss the structure of the music with reference to verse, chorus, bridge, repeat signs, chorus and final chorus, improvisation, call and response, and AB form. Explain a bridge passage and its position in a song. Recall by ear memorable phrases heard in the music. Identify major and minor tonality. Recognise the sound and notes of the pentatonic and Blues scales, by ear and from notation. Explain the role of a main theme in musical structure. Know and understand what a musical introduction is and its purpose. Explain rapping. Recognise the following styles and any key musical features that distinguish the style: 20th and 21st Century Orchestral, Gospel, Pop, Minimalism, Rock n' Roll, South African, Contemporary Jazz, Reggae, Film Music, Hip Hop, Funk, Romantic and Musicals.	Talk about feelings created by the music. Justify a personal opinion with reference to Musical Elements. Identify 2/4, 4/4, 3/4, 6/8 and 5/4. Identify the musical style of a song using some musical vocabulary to discuss its Musical Elements. Identify the following instruments by ear and through a range of media: bass guitar, electric guitar, percussion, sections of the orchestra such as brass, woodwind and strings, electric organ, congas, pianos and synthesizers, and vocal techniques such as scat singing. Discuss the structure of the music with reference to verse, chorus, bridge and an instrumental break. Explain a bridge passage and its position in a song. Recall by ear memorable phrases heard in the music. Identify major and minor tonality, chord triads I, IV and V, and intervals within a major scale. Explain the role of a main theme in musical structure. Know and understand what a musical introduction and outro is, and its purpose. Identify the sound of a Gospel choir and soloist, Rock band, symphony orchestra and A Cappella groups.

		Recognise the following styles and any key musical features that distinguish the style: 20th and 21st Century Orchestral, Soul, Pop, Hip Hop, Jazz: Swing, Rock, Disco, Romantic, Zimbabwean Pop, R&B, Folk, Gospel, Salsa, Reggae, Musicals and Film Music.
Singing	Rehearse and learn songs from memory and/or with notation. Sing in 2/4, 3/4, 4/4 and 6/8 time. Sing in unison and parts, and as part of a smaller group. Sing 'on pitch' and 'in time'. Sing a second part in a song. Self-correct if lost or out of time. Sing expressively, with attention to breathing and phrasing. Sing expressively, with attention to dynamics and articulation. Develop confidence as a soloist. Talk about the different styles of singing used for different styles of song. Talk confidently about how connected you feel to the music and how it connects in the world. Respond to a leader or conductor.	Rehearse and learn songs from memory and/or with notation. Sing a broad range of songs as part of a choir, including those that involve syncopated rhythms, with a good sense of ensemble and performance. This should include observing rhythm, phrasing, accurate pitching and appropriate style. Continue to sing in parts where appropriate. Sing in 2/4, 4/4, 3/4, 5/4 and 6/8. Sing with and without an accompaniment. Sing syncopated melodic patterns. Demonstrate and maintain good posture and breath control whilst singing. Sing expressively, with attention to breathing and phrasing. Sing expressively, with attention to dynamics and articulation. Lead a singing rehearsal. Talk about the different styles of singing used for the different styles of songs sung in this year. Discuss with others how connected you are to the music and songs, and how the songs and styles are connected to the world.
Notation	Explore ways of representing high and low sounds, and long and short sounds, using symbols and any appropriate means of notation. 	Identify the stave and symbols on the stave (such as the treble clef), the name of the notes on lines and in spaces, barlines, a flat sign and a sharp sign. Further understand the differences between semibreves, minims, crotchets and crotchet rests, paired quavers and semiquavers. Understand the differences between 2/4, 3/4 and 4/4 time signatures. Read and perform pitch notation within an octave (eg C-C'/do-do).	Read and respond to minims, crotchets, quavers, dotted quavers and semiquavers. Recognise how notes are grouped when notated. Identify the stave and symbols on the stave (such as the treble clef), the name of the notes on lines and in spaces, barlines, a flat sign and a sharp sign.
Playing Instruments	Rehearse and learn to play a simple melodic instrumental part by ear or from notation, in C major, F major, G major, Eb major, C minor and D minor. Play melodies on tuned percussion, melodic instruments or keyboards, following staff notation written on one stave and using notes within the middle C–C'/do–do range. This should initially be done as a whole class, with greater independence gained each lesson through smaller group performance. Rehearse and learn to play one of four differentiated instrumental parts by ear or from notation, in the tonal centres of C major, F major, G major, Eb major, C minor and D minor.	Rehearse and learn to play one of four differentiated instrumental parts by ear or from notation, in the tonal centres of C major, F major, G major, D major, E major, A major, Eb major, D minor and F minor. Play a melody following staff notation written on one stave and using notes within an octave range (do–do); make decisions about dynamic range, including very loud (fortissimo), very quiet (pianissimo), moderately loud (mezzo forte) and moderately quiet (mezzo piano). Creating: Composing	Create music in response to music and video stimulus. Use music technology, if available, to capture, change and combine sounds. Start to use structures within compositions, eg introduction, multiple verse and chorus sections, AB form or ABA form (ternary form). Use chords to compose music to evoke a specific atmosphere, mood or environment. Use simple dynamics. Use rhythmic variety. Compose song accompaniments, perhaps using basic chords. Use a wider range of dynamics, including fortissimo (very loud), pianissimo (very quiet), mezzo forte (moderately loud) and mezzo piano (moderately quiet).	Plan and compose an 8 or 16-beat melodic phrase, using the pentatonic scale (eg C, D, E, G, A), and incorporate rhythmic variety and interest. Play this melody on available tuned percussion and/or orchestral instruments. Notate this melody. Either of these melodies can be enhanced with rhythmic or simple chordal accompaniment. Create a simple chord progression. Compose a ternary (ABA form) piece; use available music software/apps to create and record it, discussing how musical contrasts are achieved. Create music in response to music and video stimulus. Use music technology, if available, to capture, change and combine sounds.

	Use full scales in different keys. Understand how chord triads are formed and play them on tuned percussion, melodic instruments or keyboards. Perform simple, chordal accompaniments. Create a melody using crotchets, quavers and minims, and perhaps semibreves and semiquavers, plus all equivalent rests. Use a pentatonic and a full scale. Performing	Create, rehearse and present a holistic performance for a specific purpose, for a friendly but unknown audience. Perhaps perform in smaller groups, as well as the whole class. Perform a range of repertoire pieces and arrangements combining acoustic instruments, to form mixed ensembles, including a school orchestra. Perform from memory or with notation, with confidence and accuracy. Include instrumental parts/improvisatory sections/composed passages within the rehearsal and performance. Explain why the song was chosen, including its composer and the historical and cultural context of the song. A student leads part of the rehearsal and part of the performance. Record the performance and compare it to a previous performance; explain how well the performance communicated the mood of each piece. Discuss and talk musically about the strengths and weaknesses of a performance. Collect feedback from the audience and reflect how future performances might be different.	Create, rehearse and present a holistic performance for a specific event, for an unknown audience. Perform a range of songs as a choir in school assemblies, school performance opportunities and to a wider audience. Create, rehearse and present a holistic performance, with a detailed understanding of the musical, cultural and historical contexts. Perform from memory or with notation. Understand the value of choreographing any aspect of a performance. A student or a group of students rehearse and lead parts of the performance. Understand the importance of the performing space and how to use it. Record the performance and compare it to a previous performance. Collect feedback from the audience and reflect how the audience believed in the performance. Discuss how the performance might change if it was repeated in a larger/smaller performance space.
