What is a noun?

Let's investigate nouns...

Hi my name is Naomi
Noun and I like naming
things. My job is to make
sure people, places and
animals have a name.

A noun is a **naming** word. It can name a person, place or thing.

Common nouns are the general names for people, places, objects or animals

We can use proper nouns too...

Proper nouns are different in that they name a **specific place, object or person**. They should also always start with a **capital letter**.
