Good morning Year One!

It is not necessary to print out all of these slides so please read them through carefully so you can decide exactly which are needed as a paper copy.

Thank you.

One More and One Less Card Game

Instructions

- Cut out the digit cards, shuffle them and spread them out face down.
- On your go, turn over two cards.
 If the numbers are 1 more or 1 less than each other keep them.
 If not turn them back over.
- The player with the most pairs at the end is the winner.

WALT: Subtract one-digit numbers

Here are some cubes but you could use raisins/buttons/toy cars.

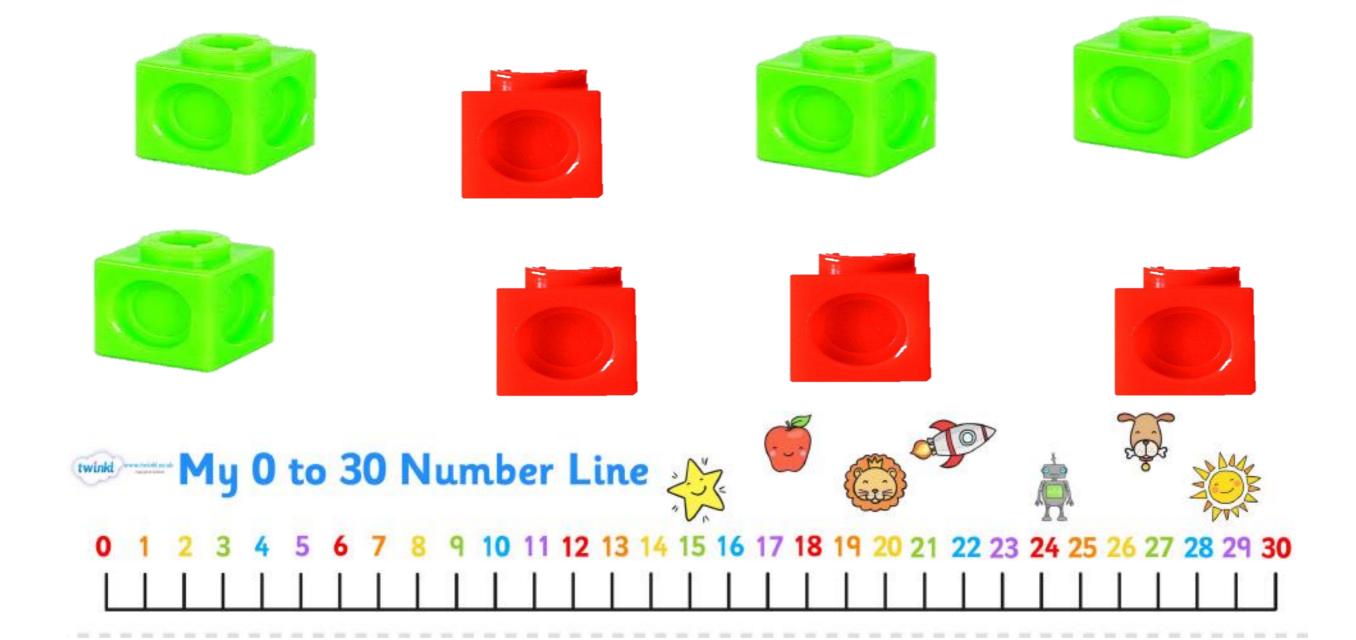

How would you use them to work out 9 take away 4?

How could you record it as a number sentence?

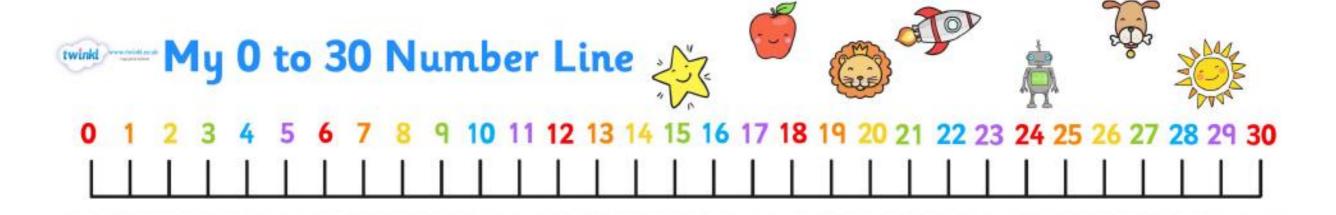

How would you do 8 take away 5?

How could you record this as a number sentence?

8 - 5 =

- Now it's your turn.
- *Think of your own take away question.
- *Make it with your cubes/raisins/toy cars.
- *Write the number sentence and of course your answer.

Repeat.

Choose your times table to practise.
